

Covid-19 Vaccinations 2024/2025

South Downs Health & Care (SDHC) will once again be giving our eligible patients the Covid-19 autumn booster vaccine this year.

SDHC have been responsible for giving the Covid-19 vaccine to our patients since it was first available and we are grateful for their ongoing commitment, which allows us to focus on providing day-to-day medical care for patients.

Eligible patients will receive an invitation to book their COVID-19 appointment via text (SMS), with clinics being available after 3rd October, as directed by NHS England.

Patients will also be able to telephone SDHC to book with them from 23rd September on 01323 402530

SDHC will be holding Covid clinics at various locations in Eastbourne, including:

- Hampden Park Health Centre, Eastbourne
- Downs Leisure Centre, Seaford
- Shinewater Sports Centre, Eastbourne
- Civic Hall, Hailsham
- Dicker Village Hall, Hailsham
- Three locations in Bexhill
