PATIENT NOTICE

DR ALG IS LEAVING SEASIDE MEDICAL CENTRE

Dear Patients,

It is with regret that I am writing to inform you that I will be leaving Seaside Medical Centre on 30th June 2021.

This has been a very hard decision to make but due to family and study commitments I have to reduce my working days. I will be working in Sussex and Kent as a locum GP.

I have enjoyed my time working within the Practice and working with my patients and colleagues. To all those I have come into contact with during my time here, I would like to wish them all the best.

From the 1st July, my patients care will be taken over by one of my GP colleagues at the Practice until a replacement is found. Please be patient whilst this changeover is taking place.

As previously, you will be able to book appointments with any Doctor at the Practice as well as Jane Strong and Shirley Colvin our Advanced Nurse Practitioners.

With Kind Regards

Dr Sonia Alg
