## PATIENT NOTICE

# DR PATHAN IS LEAVING SEASIDE MEDICAL CENTRE

18/11/2021

Dear Patients,

It is with great sadness and regret that I am writing to inform you that I will be leaving Seaside Medical Centre on the 29th of November 2021.

This has been a very hard decision to make but due to family commitments I have to relocate and move away from Eastbourne. Through my time as a Registrar and a GP I have enjoyed every moment within the Practice and working with my patients. I would like to thank all the wonderful staff members at Seaside Medical Centre. The clinicians and admin staff are without a shadow of doubt the best I have ever worked with and their patients are truly lucky to have them.

They are working hard to recruit another GP and until that time you will be transferred to another doctor's patient list on a temporary basis.

Please understand there will be a shortage of GPs for a period of time which may affect the service you receive from the practice.

Seaside Medical Centre have a unique and wonderful set of patients who have been part of my training and my practice. Without you I wouldn't be where I am today. To all those I have come into contact with during my time here, I would like to wish you all the best.

Kind regards,

Dr Omar Khan Pathan
